

What electric strike does your access control project need?

## Electric strikes can be installed in a wide range of swinging door applications.

Consider these factors to help determine the right electric strike for your project.

### 1. Assess the type of frame and health of the opening

- a. **Material:** hollow metal, aluminum or wood?

*\*Adams Rite offers electric strikes for aluminum, hollow metal or wood doors. Please see the Adams Rite catalog to order the compatible model for your door application.*

- b. **Type:** hollow or concrete-filled? Concrete-filled may require additional tools. Consider using no-cut electric strikes.

- c. **Health of door and frame:** can frame or door irregularities be fixed prior to electric strike installation?

### 2. Determine if door assembly has special requirements

- Fire-rated Assembly (NFPA 80 Fire Doors)
- Windstorm Resistant (tested to sustain winds up to 150 mph)
- Outdoor Rated (UL 1034)
- Preload Capable

### 3. Identify and test existing door hardware

- Existing locking hardware determines the compatible electric strike and overall function of the opening
- Make sure existing hardware works properly and is not broken or damaged

## Most Common Accessories

### HESCUT-MTK

Metal Template Kit for installing cut-in HES electric strikes

For installing the 1006, 1500, 1600, 5000, 5200, 7000 and 7501 electric strikes.

### 9000 MTK

Metal Template Kit for installing HES surface mounted electric strikes

For installing the 9400, 9500, 9600, 9700 and 9800 electric strikes.

### 2005M3 Smart Pac® III

Reduces initial voltage in timed or fail safe operations by 25% to extend the life of the electric strike.

Addition of Smart Pac to any HES electric strike extends the 5-year no-fault warranty to a 10-year no-fault warranty.

Select the right power supply for your project with Securitron AQ Series Power Supplies

### Cylindrical with 1/2", 5/8", 3/4" Latchbolt

HES 1600, 1006, 1500

HES 5000

HES 5200

HES 7501

up to 15 lbs

HES 8000

no-cut

HES 8300

Adams Rite 7100 Series

Adams Rite Ultraline® 7400 Series

up to 25 lbs

### Mortise Lockset without a Deadbolt up to 3/4" Throw Latchbolt

HES 1600, 1006, 1500

HES 8500

no-cut

Adams Rite 7160

### Mortise Lockset with a 1" Deadbolt

HES 1600, 1006

### Rim Exit Devices up to 1/2" Throw Latchbolt

HES 9400

no-cut surface mounted

Adams Rite Ultraline® 74R2

up to 25 lbs

### Rim Exit Devices up to 3/4" Pullman Latchbolt

HES 7000

up to 15 lbs

HES 9500

no-cut surface mounted

HES 9600

no-cut surface mounted

Adams Rite Ultraline® 74R1

up to 25 lbs

### Rim Exit Devices with Corbin Russwin SecureBolt® or Yale SquareBolt®

HES 9700

no-cut surface mounted

### Rim Exit Devices with Adams Rite Starwheel or Interlocking Latchbolt

HES 9800, Adams Rite 7800

no-cut surface mounted

SecuriCare Warranty

All HES Electric Strikes are covered by the exclusive SecuriCare five-year, no-fault warranty.
