For additional information, see the latest Terms & Conditions at: <http://www.yalehome.com/en/yale/yalehome/terms-and-conditions>

Canada: For Terms & Conditions and Warranty information pertaining to product sales in Canada, please visit www.assaabloy.ca/terms

Applicable Law; Definitions

All sales of Yale branded goods ("Goods") shall be governed by the laws of the State of Connecticut, including the Uniform Commercial Code as in effect in Connecticut on the date of sale (the "Code"). Whenever a term defined by the Code is used in these Terms and Conditions of Sale, the definition contained in the Code shall apply here. The purchaser of the Goods agrees that any proceeding brought in connection with the purchase of the Goods shall be brought in any court of competent jurisdiction in Connecticut.

Purchase Price

The purchase price of the Goods is subject to change without notice, and the prices prevailing at the time the Goods are shipped by Yale shall apply unless Yale has agreed in writing to a different price or has given a prior written quotation which constitutes a firm offer. Yale does not guarantee that the price, terms and conditions for reorders of the Goods will be the same as contained in the Yale Price List. Rebates or refunds for Goods that represent dealer stock on hand or for Goods already shipped by Yale will not be given due to any price reduction. The purchase price for any Goods purchased shall be due as and when specified in the invoice covering such Goods. Title to the Goods shall not pass to purchaser until full payment for the Goods is made to Yale.

Binding for all Purchases

All orders, whether solicited or written by our representatives or delivered by you are deemed offers by you to purchase our products. Our acceptance of each such offer is expressly subject to and conditioned on your assent to the Terms and Conditions of Sale contained herein (assent may be deemed to occur if we do not receive a written objection or retraction of such offer within 48 hours after you receive our confirmation of receipt of such offer). No other terms or conditions shall apply.

Prices and Minimum Charges

All prices are subject to change without notice. Prices prevailing at commencement of shipment apply. Regardless of whether ordered for job shipments or for stock. Only orders in excess of \$1500 net are shipped freight prepaid. Due to the expense involved in entering, handling, packaging, shipping and charging, orders of low value will still be accepted yet are assessed as follows:

Orders Shipped from Guadalajara, Mx. (YH Collection®, New Traditions®)

- Orders of less than \$1500 net are subject to a freight/handling charge of \$100.

No orders of less than \$250 will be accepted as a factory order.

Orders Shipped from Berlin, CT.

- See Yale® QuickShip rules, page 9.

Additional charges may apply for expedited shipping, "project packing", special labeling, or special shipping instructions.

Payment

Standard sales terms are 2/10 net 30. The 2.0% discount only applies for invoices paid in full within 10 days of invoice date. Invoices not paid in full within 30 days of invoice date shall incur a service charge of 1.5% per month for each month or fraction thereof (or the maximum rate permitted by law) until paid in full. All delinquent accounts are subject to credit hold.

Freight

All products are invoiced FOB our factory in Guadalajara, MX. or Berlin, CT. Title and risk of loss and damage pass to you upon our transfer of product to carrier. We pay freight charges only on orders in excess of \$1500 net to a single continental U.S. destination by a carrier and routing of our choice. (See Prices and Minimum Charges above.) You will be invoiced and agree to pay all higher freight charges for extra destinations and for special carrier(s) designated by you. Shipping schedules are estimated only and cannot be guaranteed. We are not liable for any delays in shipments.

Discrepancies must be noted with carrier upon receipt as they are your responsibility to claim.

Minimum Annual Purchase Requirement

We may discontinue direct sales to you if you do not meet the minimum annual purchase requirement (currently \$10,000), based on total accepted, shipped and non-canceled orders within each calendar year.

Yale® Terms and Conditions of Sale

1. MECHANICAL PARTS & FINISH.

Yale warrants to the original purchaser of the locksets manufactured by it to be free of defects in material and workmanship as long as the consumer (as the term "consumer" is defined under United States Code Section 2301(3)) occupies the residential premises upon which the lockset was originally installed. If, after initial installation of the lockset, any of the mechanical parts or the finish should become defective, the Warrantor will repair or replace the locksets, in accordance with this Limited Warranty.

a. When the lockset has been used for commercial, institutional, industrial or other installations other than single-family dwellings, the finish warranty is reduced to ONE (1) YEAR and the mechanical parts warranty is reduced to THREE (3) YEARS.

b. The warranty on the replacement lockset will be limited to the unexpired term of the original warranty.

2. CONDITIONS AND EXCEPTIONS.

This Limited Warranty shall apply only when the lockset is properly installed in accordance with local codes, ordinances and regulations, the printed instructions provided with it and good industry practices. THIS WARRANTY DOES NOT COVER defects caused by: modification, alteration, repair or service of the lockset by anyone other than Warrantor or an authorized designee of Warrantor; physical abuse to, or misuse of, the lockset or operation of it in a manner contrary to the accompanying instructions; shipment of the product to anyone other than Warrantor for service; improper installation; acts of God; fire; flood; casualty; failure to exercise normal maintenance; for the consequences of uses for which locksets were not designed or designated, or for defects caused by the use of paints, solvents or other chemicals which come in contact with the lockset. THIS WARRANTY DOES NOT COVER scratches or abrasions. THIS WARRANTY DOES NOT APPLY to locksets or component parts of locksets that were not originally manufactured by Warrantor. THIS WARRANTY SHALL NOT APPLY TO SUBSEQUENT OWNERS.

3. SERVICE AND REPAIR EXPENSE.

Under this Limited Warranty the Warrantor will provide only a replacement lockset or a part of it. Warrantor will pay reasonable shipping costs for surface transportation only for locksets returned to Warrantor's Customer Service Department. Warrantor will ship replacement parts under this Limited Warranty at its expense by surface transportation only. Any special handling, express or expedited service or different method of transportation shall only be provided at the request and expense of the purchaser of the locksets. However, if warrantor determines that a lockset does not qualify for repair or replacement under the applicable Limited Warranty, Warrantor will notify the consumer of the estimated costs of repair or replacement and obtain the consumer's authorization and agreement to pay actual repair or replacement costs before proceeding with non-warranty repair or replacement. Warrantor shall have no liability to pay any costs for repairs performed by anyone other than Warrantor or its designee, unless in each instance Warrantor has given written approval for such repair. Warrantor shall not be responsible for any costs incurred for the removal or reinstallation of locksets covered by this Limited Warranty.

4. LIMITATION ON IMPLIED WARRANTIES.

ANY EXPRESS WARRANTY NOT PROVIDED IN THIS LIMITED WARRANTY, AND ANY REMEDY FOR BREACH OF CONTRACT THAT, BUT FOR THIS PROVISION, MIGHT ARISE BY IMPLICATION OR OPERATION OF LAW, IS EXCLUDED AND

DISCLAIMED. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE DURATION OF EACH EXPRESS WARRANTY PERIOD.

a. Should the locksets be considered a consumer product as may be covered by the Magnusson-Moss Federal Warranty Act, please be advised that some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

5. CLAIM PROCEDURE.

To obtain performance of any obligation under this Limited Warranty, you must contact: Yale Home, Customer Service Department, 225 Episcopal Road, Berlin, CT 06037 USA, Tel 1-800-438-1951 Fax 1-800-338-0965.

b. Customer service department hours are between 8:00 am and 4:30 pm EST, Monday through Friday, except holidays.

6. DISCLAIMER.

THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE OF THIS DOCUMENT. NO OTHER EXPRESS WARRANTY HAS BEEN MADE OR WILL BE MADE ON BEHALF OF THE WARRANTOR WITH RESPECT TO THE LOCKSET OR THE INSTALLATION, OPERATION, REPAIR OR REPLACEMENT OF THE LOCKSET. THE MAXIMUM LIABILITY OF YALE HEREUNDER IS LIMITED TO THE PURCHASE PRICE OF THE LOCKSET. UNDER NO CIRCUMSTANCES SHALL YALE BE LIABLE TO PURCHASER OR ANY OTHER PERSON FOR ANY SPECIAL OR CONSEQUENTIAL DAMAGES, WHETHER ARISING OUT OF TORT, BREACH OF WARRANTY, BREACH OF CONTRACT OR OTHERWISE.

a. Should the locksets be considered a consumer product as may be covered by the Magnusson-Moss Federal Warranty Act, please be advised that (i) some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you, and (ii) this Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

b. Warrantor reserves the right to make changes in designs and specifications or to make additions or improvements on its products without notice and without incurring any obligation to incorporate them on products previously manufactured.

The parties hereby consent to jurisdiction in any court in the State of Connecticut with respect to the enforcement of any arbitration award or injunctive or other judicial relief.

Changes or Cancellations

Any item additions, quantity changes or specification changes made to accepted orders will generate a new acknowledgment for the entire order and a new shipment date. All sales are final. Quantity reductions or cancellations are accepted only with prior written consent at least 2 weeks prior to the scheduled shipment date. Cancellations or reductions after 2 business days of acknowledgement may be subject to a 25% fee. NOTE: All YH Collection lever/knob entry function leversets will be shipped with the Bridgeport knob unless otherwise specified. All YH Collection knobs are available. See Page 46. YH Collection levers are designed to be reversible to eliminate handing (except for the single dummy, Function #81, and entry functions (Function #72). For the single dummy (Function #81) and entry functions (Function #72), please specify handing either right hand (RH) or left hand (LH) when ordering these functions, or when ordering split finishes.

HOW TO DETERMINE HANDING OF DOORS

- The handing of a door is always determined by facing the exterior of a door.
- If the hinge is on the left side of the door, the door is left handed (LH).
- If the hinge is on the right side of the door, the door is right handed (RH).
- To order a handed product, specify LH or RH. Not all products are handed; only specify handing when required.

Storeroom, Classroom, Dummies, and Interior Packs require handing

Contractors will appreciate our ongoing focus on builder functionality with these finely designed ANSI Grade 2 YH Collection deadbolts. The Premier Deadbolt “face-removable” design provides easy access to the solid brass cylinder without having to remove the deadbolt from the door. This is a significant benefit to multi-family and multi-unit projects commonly requiring re-keying. The Select Deadbolt offers ANSI Grade 2 strength and security with standard access to the cylinder.

HOW TO DETERMINE HANDING OF DOORS

- The handing of a door is always determined by facing the exterior of a door.
 - If the hinge is on the left side of the door, the door is left handed (LH).
 - If the hinge is on the right side of the door, the door is right handed (RH).
 - To order a handed product, specify LH or RH.
- Not all products are handed; only specify handing when required.

Storeroom, Classroom, Dummies, and Interior Packs require handing

HOW TO DETERMINE HANDING OF DOORS

- The handing of a door is always determined by facing the exterior of a door.
 - If the hinge is on the left side of the door, the door is left handed (LH).
 - If the hinge is on the right side of the door, the door is right handed (RH).
 - To order a handed product, specify LH or RH.
- Not all products are handed; only specify handing when required.

ADA, Dummies, and Interior Packs require handing. Handing required for Keowee.
